

GIFT OF SECURITIES

We are grateful for your interest in supporting Minnesota State University Moorhead through a stock transfer. Your generous contribution will make a significant impact, and we cannot thank you enough for your generosity. We kindly ask that in order to donate securities, you must first initiate the process with your broker. Please also check with your broker to ensure the stock is eligible for electronic delivery over the Deposit Trust Company (DTC) system. This is the fastest, most secure, and most cost-effective way to donate securities.

To ensure that your gift is properly credited and acknowledged, we kindly request that you email or mail us a copy of this completed form. We value your support and are honored to have you as a part of our community of supporters.
