Curricular Practical Training (CPT) Application Information [Paid or Unpaid/Volunteer]

Curricular Practical Training (CPT) is defined as employment which is an integral part of an established curriculum, including: “alternate work/study, internship, cooperative education, or any other type of required internship or practicum which is offered by sponsoring employers through cooperative agreements with the school.” *Source: [8 CFR 214.2(f)(10)(i)]*. CPT is available only prior to the completion of your degree program and you must have a job offer at the time of application. CPT employment may not delay the completion of the academic program.

CPT allows you, as an F-1 student, to accept paid, off-campus employment that is an integral part (is a requirement in order for you to graduate from the program) of the curriculum of your degree program. CPT is divided into two categories:

Internship: employment is **a mandatory part of a course** that you are taking for degree credit. The course may fulfill a major requirement or elective that is required course for graduation.

Practicum: this is non-credit employment or fieldwork experience that your department requires of **all degree candidates** in your program.

CPT is available only if one of these categories is included in the curriculum of your degree program. Because every program has different academic requirements, not every student at MSU will be able to take advantage of CPT.

Eligibility Criteria

In order to qualify for CPT, you must meet the following criteria. If the internship is for more than one semester, you must complete this process every time every semester.

- You must have been a full-time student for at least one academic year, and you must be in valid F-1 status now. You may engage in CPT before the end of one full academic year only if you are a registered student in a graduate program that requires all enrolled students to obtain work experience in the first academic year.
- You must be making normal progress toward degree completion
- You must be in good academic status (Cumulative GPA above 2.0)
- Internship/practicum is an integral part of your degree requirement (fulfilling major requirements or major electives.)
- Must have an internship/practicum official job letter (company letterhead) with #hours, dates, and title

Please note: International students on F-1 status are only authorized to stay in the U.S. to complete the number of credit hours required by their degree program. International students cannot carry credit hours beyond the number required for their program, as published in the MSU Moorhead catalog.

F-1 Student Curricular Practical Training (CPT) Frequently Asked Questions

1. What is Curricular Practical Training?

Curricular Practical Training is work authorization for employment that is either required by your curriculum, required for a credit-bearing course or required for your degree. The advisors at the ISS authorize it.

2. What are the eligibility criteria for Curricular Practical Training?

In addition to getting credit in a course for the work, you have to have been enrolled in your program for a full academic year and have maintained valid immigration status before you can apply for CPT. Graduate students whose degree curriculum requires immediate participation in an off-campus work experience may be able to work before the academic year is completed IF this requirement is CLEARLY stated in the published program description.

3. Do I have to be registered while on Curricular Practical Training?

Yes, you will have to be registered for the internship/practicum credits while on CPT. When school is in session, your CPT will only allow a maximum of 20 hours of employment (part-time CPT) during summer or institutional vacation times you have the option to apply for a full-time CPT. Please note: if you exceed 12 months of full-time CPT, you will lose your OPT option.

4. Does Curricular Practical Training impact on the amount of allowed Optional Practical Training?

If a student qualifies for Curricular Practical Training, s/he may use up to twelve months of full-time Curricular Practical Training without it affecting Optional Practical Training. However, if a student uses a total of 12 months or more of full-time Curricular Practical Training, it cancels out all Optional Practical Training time. Part-time CPT does not count towards this limit.

5. What is considered part-time training?

Employment for 20 hours or less per week, while you are enrolled for classes, is considered part-time curricular practical training. The employment authorization written on the back of your I-20 copy will specify permission to engage in part-time training and you must limit your work to no more than 20 hours per week. You must be enrolled as a full-time student in order to maintain lawful F-1 status.

6. What is considered full-time training?

Employment for more than 20 hours per week is considered full-time curricular practical training, regardless of whether you are enrolled full-time or part-time for classes. The employment authorization on your I-20 copy will specify permission to participate in full-time training. However, if you participate in twelve months or more of curricular practical training you will not be eligible for post-completion practical training.

7. What proof of employment authorization can I give my employer?

Your I-20 form authorized for curricular practical training is the document that indicated employment authorization. You should bring your I-20 form, passport, and I-94 card to your employer. These documents will allow your employer to complete the Employment Eligibility Verification Form I-9. All employers are required to complete an I-9 form for every employee.

F-1 Student Curricular Practical Training (CPT)

Academic Advisor Form

Curricular Practical Training (CPT) is work authorization for off-campus employment in the student’s field of study which is required as part of the curriculum (either as major requirements or electives). The following form must be completed and signed by an academic advisor in order to be authorized for CPT.

This form verifies that _____ is a(n) _____ student in the program _____ in _____

According to the U.S. Citizenship and Immigration Services, the proposed internship must be an integral part of the established curriculum in order to be authorized Curricular Practical Training (CPT). Please contact Center for Global Education to with questions.

At least one of the following criteria must be met. If the internship or the practicum is for more than one semester, the student and the advisor must complete this process every semester.

Course Number: _____ A number of internship Credits: _____
Name of the Faculty Teaching Course: _____

Major Requirement: The student is required to be engaged in the proposed internship by his/her degree program. This requirement is published in the MSU Moorhead catalog or policy set in place with the department. The student must register for the internship course prior to approval. ***This internship cannot be used to fulfill open elective requirements.***

Optional Course Major Requirement The proposed internship/practicum is required by a specific course as an option of his/her degree/major requirements. The course must be listed in the MSUM Course Catalog and the Advisor’s signature confirms that the internship course is considered an integral part of the student’s program.

Cooperative Education Requirement The proposed internship is facilitated through a cooperative education agreement/contract between MSUM and the proposed company/organization (i.e. Teaching practicum, etc) and is also an integral part of the degree program.

By signing below, I indicate that the aforementioned information is true based on my best knowledge and information.

Signature of the Faculty Teaching Internship Course: _____ Date: _____

Advisor/Department Chair (Dept chair Required for Nursing): _____ Date: _____

Internship Supervisor (Optional): _____ Date: _____

- ***Please note, Faculty teaching Internship course should give an Incomplete if approving the work dates beyond the semester end date. Example: Semester ends Dec. 12, but employment ends December 31: the grade should be entered after Dec.**
