

QuickStart Guide

Uploading Media to Kaltura MediaSpace

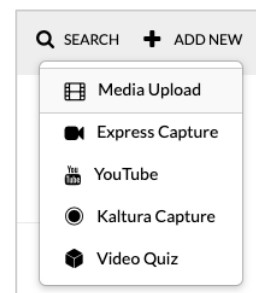

KALTURA

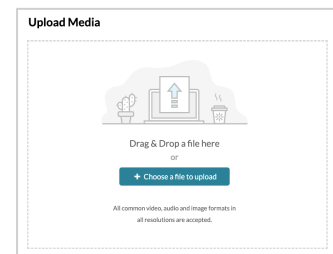

In addition to recording content within Kaltura, you can upload any of your existing media content including most video, audio and image formats. Kaltura will convert media into a widely compatible format.

Step 1: Go to mediaspace.minnstate.edu and log in using your StarID.

Step 2: In the upper right corner of your screen, select “ADD NEW” and from the dropdown, “Media Upload”.

Step 3: From the Upload Media prompt, drag and drop or browse your computer for files you wish to add to your My Media.

Step 4: As your video uploads you may edit the name, description and access rights to your preference. Click “Save” to apply your changes.
